

WELCOME!

GENERAL ASSESSMENT

- How complete are your current results?
- Can you perform your song(s) from start to finish?
- Are you producing your songs in a Digital Audio Workstation (DAW)?
- How are you making creative modifications to your songs?
- What is your current instrumentation, and how does that compare to your desired instrumentation?
- What is your level of musical literacy?
- Can you read and write music?
- Do you play and sing?
- How are you “recording” your inspiration? Just with an audio recording device? Are you writing lyrics and chords? Are you writing rhythms? Melodies? Chords? Multiple voices (harmonies)?
- Are you co-writing?
- Are there any areas, where you could use help?

SONGWRITING TECHNIQUE

How far along are you with the following:

- Rhythm
- Melody
- Harmony
- Song Form (Song Sections)
- Notation (Lead Sheets)

WRITING YOUR FIRST SONGS
